## services

**Customer service : 24 hours a day 1st Paris Major Limousines offers business persons and tourists discreet and elegant limousine services in Paris, in London and worldwide.**

**The cultural touch : our professional English-speaking chauffeurs are trained to orient you in your sightseeings wherever they take place.**

**By giving us a call or emailing us, you will soon discover our first and most important policy: The Customer comes first.**

**Hiring a limousine with chauffeur from Paris Major Limousines is an easy way to enjoy Paris, London and all the many places where success will drive you, all this in the comfort of a chauffeured limo, isolated from the daunting traffic and noise, and protected by skillful professional drivers.**

## Business

- **Transfers with your car and driver to and from the airports and train stations Worldwide.. It is a known fact that flights are the number one cause people are uncomfortable with traveling : stress due to boring controls, delays and tasteless food to name a few. Why not make it easy on yourself; offer security and comfort to yourself, your staff and your client by calling us.**
- **City to City limousine transfers. Take advantage of the experience and flexibility of our network to leave from where and when you want to the destination of your choice. Contact us any time.**
- **Since 1987, we have been bringing the best solutions of ground transportation to a demanding clientèle for roadshows, fairs, air shows, seminars, congresses, weddings, sightseeing trips and all sorts of events. Whatever your need, check our solutions first.**
